Application for Experian's In Company Sponsored Degree Programme (2013 Entry): BA (Hons) Management & Leadership degree with Nottingham Trent University

Section 1 – About the application and recruitment process

How do I apply for the sponsored degree programme?

- To apply, complete and return this form by email to: students@uk.experian.com
Or by post to 'Experian Students & Graduates' at the address below:

Talent & Resourcing
Riverleen House
Electric Avenue
Nottingham
NG80 1RH

- **Applications received by 31st March 2013 will be considered for our April assessment centres.**
- Later applications between 1st April and 1st June will be considered providing we have positions available – for example, if we do not find the right candidates and further assessment centres will be held in June/July.

What's involved in the recruitment process?

- If your application form meets the requirements for academic achievements and you're a good fit for the schemes available you will be invited to an assessment centre at one of our Nottingham Offices.
- The assessment centre will consist of a group exercise and presentation, a competency based interview and numerical & verbal reasoning tests. Candidates will be notified of our decision within four weeks.

What happens if I'm offered a position?

- All offers will be subject to achieving 300 UCAS points or above and background checking – due to the nature of our company and our clients, we will need to conduct financial, criminal and reference checks.
- Candidates need to have a valid passport and proof of address for these checks (i.e. bank statement). Other documentation could be used in place of these two documents - details will be given if offered.

Section 6 – Additional Questions

Describe how you would go about building a relationship with someone new in person?
And what would you do differently if you were on the telephone?

If meeting a target came with a reward what would you do differently to ensure you met it?
If you wouldn't change anything explain why not.

Think about a time when something didn't go the way you wanted it to. What did you do to
motivate yourself after the disappointment or upset?
