**CONSULTATION** 

#### What is it?

- The Hitwise Service propositions deliver a dedicated level of expertise, training and service to further maximise the value of your Hitwise subscription. Working closely with your Client Development Manager, the Support team is committed to delivering a 'best in class' service for your subscription.
- There are 5 service packages to choose from: Silver, New Client, Gold, Consultation and Agency. Each package commits a different level of service in line with your resource and service requirements.

### What are the benefits?

- Improved usage of Hitwise will maximise value to make actionable decisions
- Free up more time to focus on business critical activities
- Gain valuable insight, knowledge and expertise from our dedicated support team
- Solution based training to meet key business needs, objectives and challenges
- Continuity of service in the event of users leaving the business
- Provide timely, relevant and actionable insight through Hitwise Inspire and Insight reports

# **Hitwise Insight Reports**

### **State of the Market**

The State of the Market Insight provides online visibility of your company's industry or competitive set that you are looking to enter or compete within, helping to support with any strategic decisions.

Determine the most effective online channels that drive traffic to your chosen industry

Deliverables: 12 page report in PDF format. Annotated findings supported by Hitwise graphs and reports

Cost: £2.000

#### **Audience Profile**

The Audience Profile Insight compares the type of people who visit your site to a key competitor or industry. Using Socio-Demographic data and Experian's Mosaic or FSS, find out which people you are missing out on. Do your competitors attract a more desirable audience? Find out with this

Deliverables: 12 page report in PDF format. Annotated findings supported by Hitwise graphs and reports

Cost: £2,000

#### **Product Performance**

Reporting on up to 2 of your key products. This insight would include analysis on the seasonality of searches for each product and downstream traffic analysis of each to inform positioning,. It also identifies new threats and provides an analysis of your performance against key competitors over the past 6 to 12 months.

Deliverables:: 12 page report in PDF format. Annotated findings supported by Hitwise graphs and reports

Cost: £2,000

#### **Campaign Analysis**

Our Pre- and Post-campaign Insight will show you how to measure the effectiveness of a campaign and develop new KPIs that will qualify success. What impact did your campaign have in driving more visits? Did competitors see an uplift traffic? What impact did Social Media have? All answered with the campaign analysis.

Deliverables: 12 page report in PDF format. Annotated findings supported by Hitwise graphs and reports

Cost: £2,000
