

Candidate Verifier and Digitised Identity

The changing world of recruitment

Unlock the true potential of your new hires with our all-in-one solution – it's more than just document checking, it's the key to happier and more successful staff from day one.

Candidate Verifier and Digitised Identity is an all-in-one, government-certified employment background checking solution for Disclosure and Barring Service Criminal Record Checks that goes far beyond document vetting. You can trust Experian to provide you with a comprehensive and fully compliant solution that is suitable for a wide range of candidates because we understand the challenges you face as an employer in the current market. Our seamless journey is designed to be simple, convenient, and hassle-free for you and your candidates, allowing you to create a better experience, recruit at pace, and reduce the risk of hiring.

Questions you need answering

- How can I reduce time to hire and onboard quicker?
- How can I meet legal and compliance requirements?
- How can I improve candidate experience?

Why is it beneficial for you to partner with us?

Create a better candidate experience

You get to choose from a wide range of candidate profiles. With us, you won't have to worry about candidates being handed off to mobile applications, because we merge data and technology seamlessly in the journey.

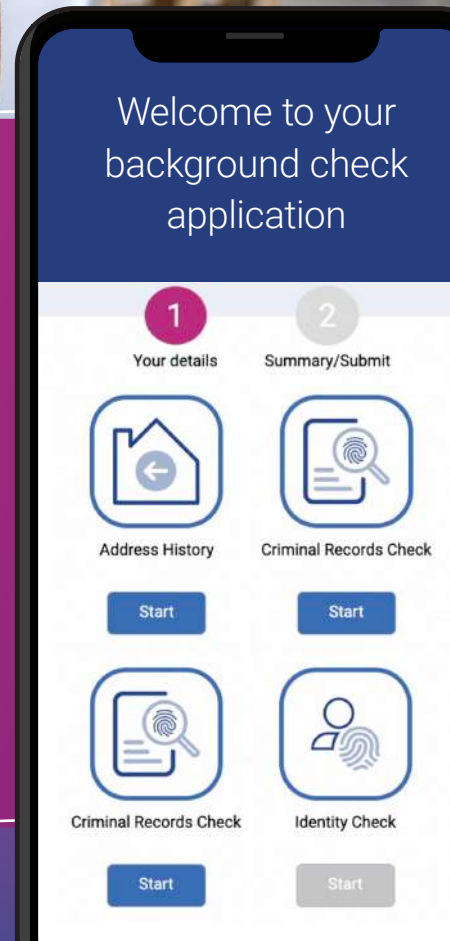

Stay informed and save time

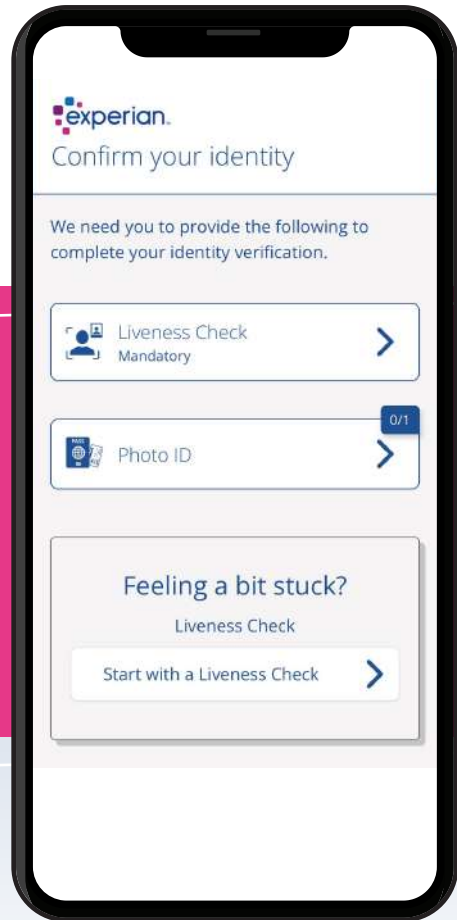

You can save time and effort while ensuring a smooth screening process, because our comprehensive solution proactively keeps you and your candidates updated at every step.

Reduce risk and improve efficiency

With our trusted brand, you will fully comply with DBS Code of Conduct and Legislation. Our solution reduces risk, improves efficiency, and speeds up the time to hire, giving you peace of mind.

By partnering with Experian, you'll be providing your candidates with a convenient way to complete the vetting process from the comfort of their own homes, achieving a minimal drop-off rate without handing off to an app. We have been working directly with the Disclosure and Barring Service and Home Office, so we fully understand the importance of compliance and take it seriously, adhering to all relevant legislation. Experian is a Financial Conduct Authority-regulated company, so you can trust us to provide a solution that meets all regulatory requirements. Choose Experian for a customer-focused solution that meets all of your background checking needs, and experience the benefits of working with a trusted and reliable partner.

Three bespoke and configurable solutions tailored to your unique needs

Fully managed service

Benefit from the full vetting process and background checking done by Experian.

Seamless integration

With your existing recruitment process for maximum convenience and happier staff from day one.

Software and tools

Benefit from our software and tools to complete your own in-house recruitment, vetting and onboarding.

“ We have a longstanding relationship with the Experian Background Checking team. They have been integral in helping us deliver improvements to our service in the last year. Always friendly and happy to help, I know they are only ever a phone call away if we have any problems, questions or concerns. Their vast expertise in screening and onboarding is invaluable and I look forward to seeing what we can deliver together in the future. ”

Nicola Doherty, Head of HR Administration, Sky

“ The integration process runs very smoothly and has helped us streamline our processes saving us many hours work. ”

Rebecca Gray, People Service Centre Manager, Skipton Building Society
