- By post. Simply complete this form clearly in BLOCK CAPITALS, using a black or blue ballpoint pen and return it to the address below.

### Important notes

- Applying online will speed up your application and your report will be sent by post or available online.
- For full details of how we use the data you provide on this form please visit <http://www.experian.co.uk/consumer/statutory-report.html> where you can view a copy of our privacy policy or contact us at Experian Ltd, PO Box 8000, Nottingham NG80 7WF
- To help us make sure we only send credit reports to people who are entitled to see them, all applications are subject to security checks.
- We may request further information in support of your application.
- This is not a joint application. If your partner or spouse wishes to apply for a copy of their credit report they must apply separately.
- We will check your details with the records we hold and share with fraud prevention agencies. If false or inaccurate information is provided and fraud is identified, we will record this and details will be passed to other fraud prevention agencies. Law enforcement agencies may access and use this information. We and other organisations may also access and use this information to prevent fraud and money laundering, for example, when:
  - Checking details on applications for credit and credit related or other facilities
  - Managing credit and credit related accounts or facilities
  - Recovering debt
  - Checking details on proposals and claims for all types of insurance
  - Checking details of job applicants and employees

We and other organisations may access and use from other countries the information recorded by fraud prevention agencies. Please contact us at Experian Ltd, PO Box 8000, Nottingham, NG80 7WF if you want to receive details of the fraud prevention agencies. Because we operate throughout the world in providing our goods and services, this may involve us transferring your personal information to countries whose data protection laws do not provide the same level of protection as those in the UK. If we do so, we will ensure that an agreement is in place in which anyone to whom we pass the information agrees to treat it with the same level of protection as if we were dealing with it.
